

ANZMRC has a "Correspondence Circle", enabling individual brethren to subscribe to Harashim, the Newsletter of the Research Council. Harashim is published four times per year, and contains a wealth of information of direct interest to brethren interested in Masonic Research, in Australia, New Zealand and Internationally. All member Research Lodges of the ANZMRC receive limited copies of Harashim. Your research lodge secretary should have a copy to show or lend.

Joining the Correspondence Circle will enable you to DIRECTLY receive Harashim on a regular basis. It will also entitle you to join the ANZMRC email list (if your lodge is not a member of ANZMRC).

PLEASE NOTE - paid subscriptions are no longer being taken. Since mid 2005 Harashim has been available only in electronic format to new members of the Correspondence Circle (pdf file format) Contact the ANZMRC Secretary to subscribe.

---
